

SPECIAL MEMBER SUBSCRIPTION OFFER!

In our effort to bring you better services at greater savings, we are pleased to be able to offer you savings on your annual subscription to **Transport Topics**.

Each week, Transport Topics brings you the latest information on our constantly changing industry. Across the country, Transport Topics keeps the trucking industry informed of state and federal laws that affect trucking. Additionally, Transport Topics regularly carries features on important issues such as safety, maintenance, accounting and finance, intermodal freight, labor and taxes. As motor carrier management, you require the most up-to-date news affecting your company.

There is no better resource to keep track of the industry than Transport Topics, and now you can take advantage of your LMTA membership to get a reduced subscription rate. The current Association discount rate for a full-year, 52-issue subscription to Transport Topics is \$99. ***That's only \$1.90 per issue – the lowest rate available for a full year of Transport Topics!***

If you would like to subscribe to Transport Topics at the reduced rate, please complete the form below and return it to our office no later than June 20, 2017. Your subscription dues will be billed directly through LMTA. Current Transport Topics subscribers are eligible for these discounted rates, too – but you must **respond by June 20th** to receive the discount rate!
